

## 2007 - 2008 Mentee Application

**The goal of the AWN Mentor Program is to match a mentor to a mentee to guide and counsel the mentee through a transitioning process in their professional lives, personal lives, and in the community.**

Applicants must be members of Atlanta Women's Network or an AWN Sponsor organization. The Selection Committee will match applicants based on the information provided below.

- Please complete your application and mail it to: AWN, 1188 Dorby Park Drive, Atlanta, GA 30319, or fax it to the AWN office at 404-848-1980.
- Questions about the application or the program may be answered by visiting the AWN web site and reviewing the guidelines for the Mentor Program.

### **Reasons to Become a Mentee:**

- Career transition
- Career Development
- Leaving corporate America to become an entrepreneur
- Looking for fresh ideas, a broader base, or the desire to explore outside of your sphere of influence

### **Part I. Program Overview**

**“Power Mentoring” – A Mentee is assigned a “home” with a primary Mentor, but will also have access to other Mentors with unique skills to address specific needs.**

The line between a Mentor and Mentee is fluid and each Mentee can benefit from multiple Mentors and additional resources in a year. This concept of a support system for women is a new level of networking for the members of the Atlanta Women's Network.

- ❖ One-on-one meetings - every 4 weeks in person, by telephone, or e-mail.
- ❖ Bi-monthly group meetings with fellow Mentors and Mentees from 4:30-7 PM on dates to be selected.
- ❖ Program Fee: \$25. Payment must accompany this application.  
(For sponsor designated members, this fee has already been paid.)
